Dear Merrill:

Thank you so very, very, very much for all you have done to help provide the kind of pure air which Vonette and I so desperately need. How can I ever begin to adequately express our gratitude for all that you have done to help purify the air that we will soon be breathing in our condominium because of you and Larry.

Please know that I want to reciprocate in whatever way I can to encourage you in your great ministry. I believe God is going to use you and Larry to do something that nobody else has done in the whole anti-mold movement.

Vonette joins me in saying a million, million thanks.

Yours for helping to fulfill the Great Commission  
each year until our Lord returns,
